With over 23,000 customers in 170 countries, 42Gears solutions have a proven track record of success in any industry.

Key Benefits for Your Enterprise

- **Centralized Contact Directory**
  Ensure your teams have instant access to the right contacts for easy collaboration.
- **Separation of Work and Personal Contacts**
  Keep professional contacts secure without relying on personal phonebooks.
- **Hassle-Free Setup**
  Cloud-based solution with no complex installation or maintenance required.
- **Enhanced Security and Access Control**
  Protect sensitive information with role-based access and permissions.

Features

Unified Dashboard for IT Teams
Access and manage all enterprise contacts from a single console.

Multi-Platform Integration
Connect seamlessly with Slack, WhatsApp, and more.

Advanced Filtering
Sort contacts by type, department, and access level for quick navigation.

Granular Access Control
Admins have full control over contact visibility and permissions.

Bulk Contact Import
Easily upload contacts in bulk using CSV files.

Custom Contact Privacy
Save contacts as private or public based on visibility needs.

Effortless Device Enrollment
Scan a QR code to instantly set up devices.

Tag-Based Categorization
Organize contacts by team, skillset, role, or location for easy access.

Seamless Contact Sync
Auto-sync business contacts to the native phonebook or manually sync as needed.

Employee Dashboard
Employees can view important alerts, announcements, and event reminders.

LDAP Integration
Automatically import contacts from an LDAP account.

Custom Contact Directory URL
Generate a URL for quick access to the entire business contact list.

Pre-Configured Settings
Maintain consistency across devices with predefined configurations.

Instant Company Announcements
Notify users of important updates directly via the mobile app.

500 contacts. 5 devices. $0. Sign Up Today!
